Turquoise Hostess Table

Made using solid brass and turquoise semiprecious gemstone in a mosaic pattern. These eye catching tables add a sophisticated edge to their surroundings making them a standout feature for any room.

Materials: Turquoise and Brass

Dia: 30cm
Height: 42cm

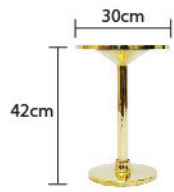

Nephrite Hostess Table

Made using solid brass and Nephrite semiprecious gemstone in a mosaic pattern. These eye catching tables add a sophisticated edge to their surroundings making them a standout feature for any room.

Materials: Nephrite and Brass

Dia: 30cm
Height: 42cm

Lapis Lazuli Hostess Table

Made using solid brass and Lapis Lazuli semiprecious gemstone in a mosaic pattern. These eye catching tables add a sophisticated edge to their surroundings making them a standout feature for any room.

Materials: Lapis Lazuli and Brass

Dia: 30cm
Height: 42cm

Gazelle Hostess Tables

Formed with Lapis Lazuli that adds a rich touch of color and solid brass that lends a delicate form to this regal piece.

Materials: Lapis Lazuli and Brass

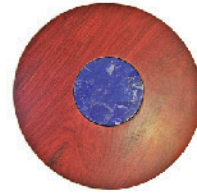

Dia: 31cm
Height: 66cm

The Nucleus Table

A circular rosewood surface has a nucleic center formed of lapis lazuli and a base made of solid brass.

Materials: Rosewood Marquetry, Brass and Lapis Lazuli.

Dia: 42cm
Height: 56cm

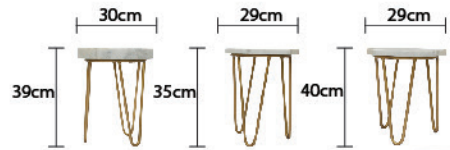

Bella Trio of Hostess Tables

Made of white marble and painted wrought iron. The super functional nature of the Bella Trio make them just the right size and form to add that touch of something to your favorite area.

Materials: Wrought Iron and Marble.

Dia: 30cm Dia: 29cm Dia: 29cm
Height: 39cm Height: 35cm Height: 40cm

Allure Hostess Table And Stool.

Rosewood, brass and leather, turn this table into an object of fascination. A unique multi-functional design with leather straps in a geometric crisscross pattern is topped by glass and can serve as a flat surface. This piece exudes modern luxury.

Materials: Rosewood, Brass and Leather.

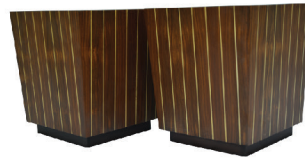

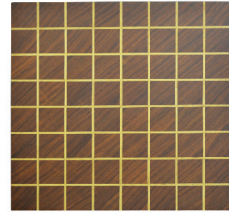

Dia: 42cm
breadth: 42cm
Height: 56cm

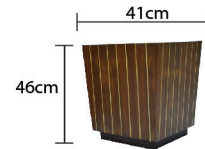

Einstein End Tables

An arresting piece made from rosewood and acacia wood marquetry, the leading lines in this design demand attention. These tables are minimalist but commanding.

Materials: Rosewood and Acacia Marquetry.

Length: 41cm
Breadth: 42cm
Height: 46cm

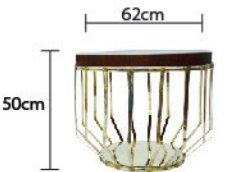

Phoenix Cage End Tables

A startling and eye-catching piece, ensures that the gaze lingers. Created using brass and rosewood marquetry, this table evokes thoughts of a gilded cage. A perfect addition for that high end touch with an edge.

Materials: Brass and Rosewood Marquetry.

Dia: 62cm
Height: 50cm

Maya Coffee Table

A marquetry top framed with brass, this clever design attracts envy. The Maya table is a modular set that can be the centerpiece for a living space or be pulled apart as five hostess tables. Perfect for entertainment.

Materials: Brass and Walnut

Dia: 109cm
Height: 47cm

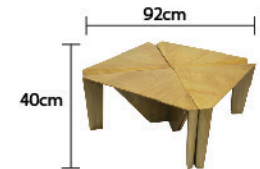

Butterfly Coffee Table.

Both whimsical and architectural, the butterfly coffee table is a cross between traditional and futuristic. Handmade entirely from rosewood, with a walnut finish. This modular table is a must have for those with eclectic taste.

Materials: Rosewood.

length: 92cm
Breadth: 92cm
Height: 42cm

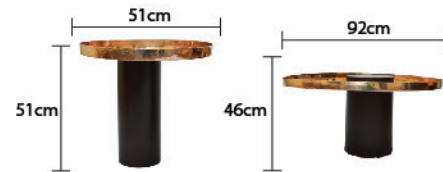

Pella Coffee Tables

Gleaming copper and rosewood are used to create this set of two contemporary coffee tables with a luxurious copper top.

Materials: Rosewood and Copper.

Dia: 51cm Dia: 92cm
Height: 51cm Height: 46cm

Gatsby Sofa

A glamorous four seat sofa made using an acacia wood frame and gold leafed feet with velveteen in the color of choice.

Materials: Acacia Wood, Gold Leaf And Velveteen Fabric.

Length: 284cm
Breadth: 97cm
Height: 90cm
Seat height: 45cm

Available in Custom Colours

Louis XVI Chair

Rosewood with a gold leaf finish and bespoke nebula pattern fabric come together to produce this modern take on the Louis XVI chair. The cross back design features semiprecious gemstone elements that adds a regal touch.

Materials: Rosewood, Semiprecious Gems (Nephrite And Lapis Lazuli).

Length: 50cm
Breadth: 59cm
Height: 92cm
seat height: 49cm

Bateaux Lamp

Taking its inspiration from the Bateaux riverboat, this short lamp features an antique light head made of brass and a rosewood body in a tripod design.

Materials: Rosewood and Antique Brass.

height: 62cm

Fox and Rabbit Antler Console

Solid rosewood and a marquetry top featuring a fox and rabbit hunt, make up the barely tamed design of the antler console. The base crosses and tapers to resemble the slender but strong features of an antelope and give this rich piece a rustic look.

Materials: Rosewood and Rosewood Marquetry.

length: 122cm
breadth: 51cm
Height: 77cm

The Ship Deck Lamp

A rosewood body inspired by navigational instruments with an antique extendable brass lamp at its helm. This statement piece is both functional and luxurious.

Materials: Rosewood and Antique Brass.

height: 170cm

The Lighthouse Lamp

A design that fuses a compass with a searchlight. A rosewood tripod holds a genuine antique shiplight making for a very striking combination in this feature lamp. Adding a nautical element to the finely furnished room.

Materials: Rosewood, Antique Brass Searchlight.

height: 186cm

Desire Serpentine Lamp

Minimal and luxurious. Featuring a prominent gemstone piece in a brass body that centers the focus. The lampshade is made with raw silk and completes the bejeweled look of this lamp.

Materials: Brass, Serpentine And Raw Silk.

Dia(shade): 35cm
Height: 62cm

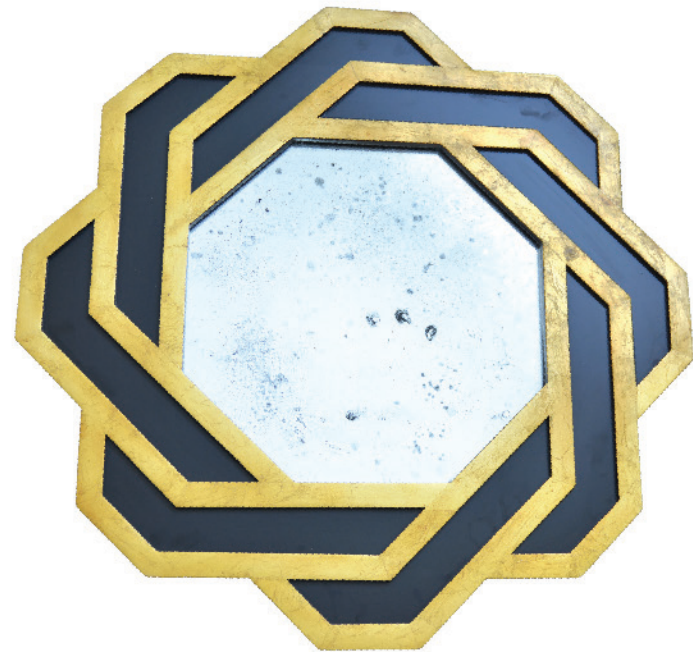

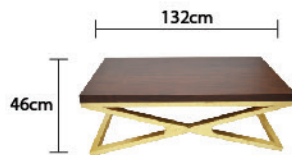

Anabel coffee table

Made with a rosewood and gold leaf base and a burl rosewood marquetry top, this fine example of minimal elegance is a magnet for those with eclectic style. The clean angles and crossed lines of this console is sure to appeal to those seeking modern accent pieces with the traditional touch.

Materials: Rosewood, Gold Leaf and Burl Rosewood Marquetry.

Length: 132cm
Breadth: 71cm
Height: 46cm

Ribbon Mirror.

An Intertwined Celtic effect, done symmetrically at angles of 135 degrees, make the Ribbon mirror a wonderful centerpiece for any wall.

Materials: Faux Wood, Deco Paint And Gold Leaf.

Length: 92cm
Height: 92cm

Length: 96cm
Breadth: 66cm
Height: 84cm

Available in
Custom Colours

Demi-Lotus Armchair

Featuring a curved back and line tufted upholstery in a starlight grey. The Demi-Lotus armchair is graceful and spacious, perfect for the uberchic living room.

Materials: Rosewood, Acacia Wood And Starlight Fabric.

KOHR LUXE

COLLECTION

"LUXURY IS A NECESSITY,
THAT BEGINS WHERE NECESSITY ENDS"

-CoCo Chanel

Length: 176cm
 Breadth: 70cm
 Height: 88cm
 Seat height: 44cm

Available in
 Custom Colours

The Caesar Sofa

An Acacia wood frame makes up the inside of this elegant sofa. Dark upholstery and a nail head trim finish off its minimal yet luxurious look.

Materials: Rosewood, Acacia Wood And Velveteen.

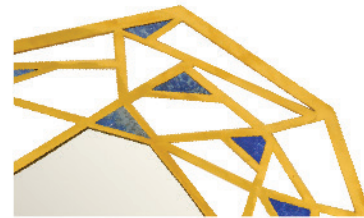

Geometric Mirror.

An asymmetrical design that ties up triangles, quadrilaterals and polygons. It is the anarchic appearance of the geometric mirror that gives it an unusual beauty.

Materials: Brass, Lapis Lazuli.

Dia: 84cm

Daisy Credenza

Luxurious Rosewood legs with a gold leaf finish in a semicircular design make up the base of the daisy credenza. The cabinet has an uninterrupted pattern inspired by the daisy flowers in the northern mountains of Pakistan.

Materials: Rosewood, Gold Leaf and Faux wood.

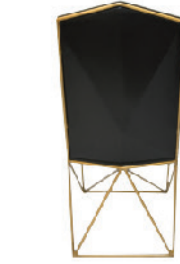

Length: 130cm
Breadth: 56cm
Height: 92cm

The Abyss Chair I

A futuristic chair sitting on a base of gold wrought iron in a trapezium design. The back and seat is made up of flat black panels connected at angles completing the space age aesthetic of this bold piece.

Materials: Wrought Iron And HDF

Length: 43cm
Breadth: 46cm
Height: 99cm
Seat Height: 47cm

The Abyss Chair II

The futuristic chair with modified base. This version features crisscross sides as a base.

Materials: Wrought Iron And HDF

Length: 43cm
Breadth: 46cm
Height: 99cm
Seat Height: 47cm

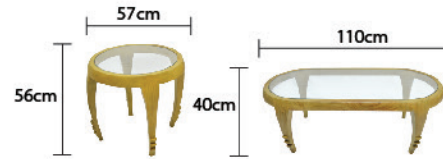

Antler Side Table

The antler side table is handcrafted using rose wood and features a glass top surface. The natural grain of the rosewood has been emphasized using a handheld sander. The feet have jagged antler features that round of its natural aesthetic.

Materials: Rosewood & Glass Top

Dia: 57cm Length: 110cm
Height: 56cm Breadth: 58cm
Height: 40cm

Flip Tables

Fascinating in its functionality as well as its art deco appeal, the flip hostess table can fold up to a standing position and frees up space while maintaining its oriental aesthetic.

Materials: Acacia Wood, MDF And Deco Paint

Available in Custom Colours

Length: 60cm
Breadth: 46cm
Height: 64cm

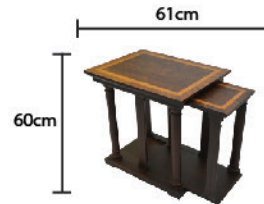

Ceaser Nest Tables

A simple border design emphasizes the natural grain of this gorgeous set of nesting tables. Hand made using solid rosewood with a marquetry top, this is a perfect duo for serving guests and its craftsmanship is impeccable with its tall pillar legs and the way the pieces nest.

Materials: Rosewood, Rosewood Marquetry.

Length: 61cm
Breadth: 46cm
Height: 60cm

Oscar Game Table /Side Table

A solid rosewood marquetry base and a top edged with brass. The base of this sophisticated table is cylindrical and sturdy. This piece evokes mental imagery of close friends enjoying drinks over a game of cards. A perfect addition to the lobby, game room or as a generous side table.

Materials: Rosewood Marquetry, Brass Edging.

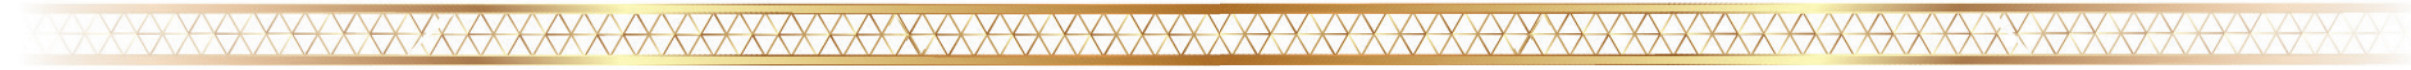

Dia: 92cm
Height: 56cm

Clover Leaf Console

The clover leaf console is an artisan piece constructed of solid walnut wood. The tall, slim legs give this piece a striking look of luxury.

Materials: Rosewood

Length: 160cm
Height: 78cm

Gaudi Chair

A fine piece of furniture and a work of art. The aptly named Gaudi chair is an ode to master craftsmanship. The sturdy shape of this chair is offset by its delicate, hand carved, distressed back left leg which is covered in gold leaf. Bohemian and elegant.

Materials: Rosewood And Gold Leaf.

Length: 50cm
Breadth: 50cm
Height: 98cm
Seat Height: 46cm

Lunar Dining Table /Entrance Table

Inspired by the phases of the lunar cycle, this piece is unusual and full of character. Handmade using rose wood, the marquetry top is a canvas set with the cycle of the moon in a symmetrical frame. Beautiful and perfect as a entrance table or for the foyer or as a dining table.

Materials: Rosewood And Rosewood Marquetry.

Length: 118cm
Height: 79cm

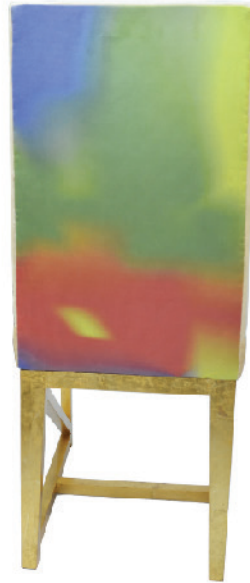

Dia: 118cm

Galaxy Chair.

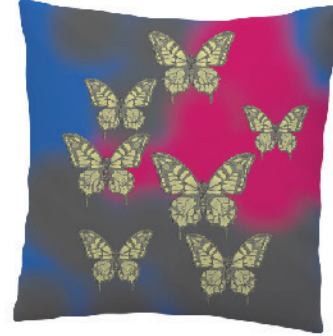

Gold leaf on rosewood is employed to create an architecturally sound base that is pleasing to the eye. The chair itself is upholstered in white champagne velveteen in the front and a celestial landscape on the back. This chair pairs well with the lunar table.

Materials: Rosewood, Gold Leaf, Champagne Velveteen And Bespoke Fabric.

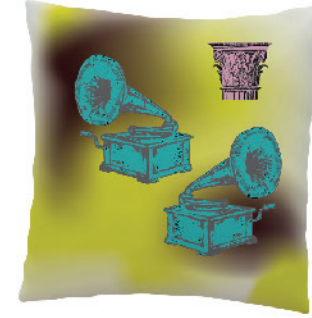

Length: 47cm
Breadth: 44cm
Height: 111cm
Seat Height: 53cm
